Sagnik Nandy

Department of Statistics and Data Science, Wharton School of Business, 265 South 37th Street Philadelphia, PA 19104-1686, Philadelphia, PA 19104, USA

📱 +1-267-934-6686 | 🗷 sagnik@wharton.upenn.edu | 🧥 sagnik-nandy.github.io | 🛅 www.linkedin.com/in/ sagnik-nandy-wharton | 🕿 Sagnik Nandy

Education

University of Pennsylvania

PhD in Statistics

Aug 2019 - Current

Philadelphia, USA

Aug 2023

Delhi, India

• Supervised by Zongming Ma and Bhaswar B. Bhattacharya

Indian Statistical Institute Kolkata, India

Master of Statistics

July 2018 - May 2019

• Specialization: Theoretical Statistics

Indian Statistical Institute Kolkata, India

Bachelor of Statistics July 2014 - May 2017

• First Division with Distinction

· First Division with Distinction

Research Interests

- · High-Dimensional Statistics
- Graphical models
- Random Matrix Theory
- Fluctuations and Theory of Dependent Observations
- Single-cell Genomics

Publications

Exact Detection Thresholds for Chatterjee's Correlation

Arnab Auddy, Nabarun Deb, Sagnik Nandy

Accepted in Bernoulli (2023). 2023

Community Detection With Contextual Multilayer Networks

Zongming Ma, Sagnik Nandy

IEEE Transactions on Information Theory 69.5 (2023) pp. 3203–3239. 2023

Degree Heterogeneity in Higher-Order Networks: Inference in the Hypergraph β -Model

Sagnik Nandy, Bhaswar B. Bhattacharya

2023

Bayes optimal learning in high-dimensional linear regression with network side information

Sagnik Nandy, Subhabrata Sen

2023

Clustering Network Vertices in Sparse Contextual Multilayer Networks

Anirban Chatterjee, Sagnik Nandy, Ritwik Sadhu

2022

Talks, Conferences, and Workshops.

Joint Statistical Meeting Toronto, Canada

Invited Talk

· Title: Community Detection with Contextual Multilayer Networks

Stat-Math Seminar, ISI Delhi

Invited Talk

June 2023

• Title: Orchestrated Approximate Message Passing: A New Way Of Information Integration From Multimodal Data

AUGUST 16, 2023

Department of Computer Science and Engineering Seminar, IIT Delhi

• Title: Orchestrated Approximate Message Passing: A New Way Of Information Integration From Multimodal Data

Applied Statistics Unit Seminar, ISI Kolkata

Kolkata, India

Delhi, India June 2023

January 2023

• Title: Orchestrated AMP in Network-Constrained Regression

IMS Annual Meeting London, UK

Contributed Talk

• Title: Community Detection with Contextual Multilayer Networks

Stat-Math Seminar, ISI Kolkata

Kolkata, India

Invited Talk

September 2022

• Title: Community Detection with Contextual Multilayer Networks

Awards and Honors_____

- P.C. Mahalnobis Gold Medal (Outstanding student in M.Stat program), Indian Statistical Institute, 2019
- J.K. Ghosh Gold Medal (Topper of M.Stat program), Indian Statistical Institute, 2019
- D. Basu Gold Medal (Outstanding student in B.Stat program), Indian Statistical Institute, 2017
- Ms. M. S. Iyer Memorial Gold Medal (Topper of B.Stat program), Indian Statistical Institute, 2017
- Nikhilesh Bhattacharya Gold Medal (Highest marks in Statistics subjects in B. Stat program), Indian Statistical Institute, 2017
- INSPIRE scholarship, Department of Science and Technology, Government of India

Teaching Experience _____

- Teaching assistant for Stat 403 (Undergraduate Course in Mathematical Statistics) at University of Pennsylvania for Spring 2023, Fall 2022 and Spring 2022.
- Teaching assistant for Stat 970 (PhD Level course in Mathematical Statistics) at University of Pennsylvania for Fall 2021.
- Teaching assistant for Stat 101 (Undergraduate Introductory Course in Statistics) at University of Pennsylvania for Fall 2020 and Spring 2021.

Professional Service

• Reviewer for Journal of American Statistical Association and Bernoulli.

Technical Skills_____

Software Packages R, RStudio, MATLAB

Programming Languages Python, C

Languages _____

English Professional proficiency Hindi Professional proficiency Bengali Native proficiency

AUGUST 16, 2023
